**LETTER OF RECOMMENDATION**

Throughout the course of our conversation, **Mr. YENUMULA LOKA DURGA SAI SURYA** struck me with his exceptional zeal and expertise in a variety of fields. I've had the chance to guide him “**SOFTWARE TESTING METHODOLOGIES**” for the past one years, and it's clear that he understands the underlying ideas well. He is steadfast in his pursuit of his objectives, and when he takes on different challenges, his intelligence shines through.

Moreover, **Mr.SURYA** has consistently demonstrated a propensity for initiative in the **CLASSROOM**. He is very proficient in conceptualization and reasoning, and he turns in his work well in advance of the deadlines. He has excellent time management skills, balancing his programming work and courses efficiently. He has great time management skills, which are demonstrated by the fact that he is an expert coder. His constant attainment of outstanding grades demonstrates his remarkable academic discipline.

His capacity for visualization and application to practical issues is one of his strongest assets. To overcome practical obstacles, he makes use of his visualization abilities. His great communication skills have helped him develop important management and leadership skills since they increase the impact and influence of his thoughts.

My student, **Mr. SURYA**, is a hard worker with a lot of promise, and I have no doubts about it. I encourage you to give his application for continued study at your respected university serious consideration given his remarkable qualities. In addition to being advantageous for your department and the university, I think giving him this chance will allow him to significantly advance his field of study.

**Kind regards,**

**Bangarulakshmi Mahanti**

Assistant Professor

GITAM University
